My heartfelt sympathies go out to the family and friends. May you find some comfort in the promise found in Revelation 21: 3-4 and 1Thessalonians 4:14. Knowing that there is an opportunity to be reunited with loved ones.

Mark & Della, It has been a pleasure working with you over the past 10 years. I have enjoyed your friendship over the years and hearing about your family over many lunches and jobsite visits. I am very thankful for all the great work that you have done for Kukurin during my time here, as well as all the previous years as well. You will be truly missed. Prayers for you and your family... God Bless,
Michael Oates
