To Allie and Family i am so sorry for your loss. Val was an amazing person, and a good friend I will never forget! This is not saying Good Bye to Val, this is saying see you soon on the other side! I will always remember all the times we cracked up so hard that we would pee our pants. As you know Allie your mom and I always talked about moving to the beach! Now her and your gram have ocean front views, but you know your mom is sitting under her umbrella. She is the only person i know that could sit in the shade for an entire vacation and come back TAN TAN TAN!! I will miss you Val, and Allie if you need anything you know where to find me. See you one day soon my friend!
