May the Family find some comfort with the words of Jesus Christ that he had spoken in John 5:28,29 about which say: Do not be amazed at this, for the hour is coming in which all those in the memorial tombs "Or in Gods memory" will hear his "Jesus Christ" voice and come out, to a resurrection to life. So there is yet another Guarrantee that God has promised us as Humans, and that is found in the Bible book of Psalm 37:29 which says: The righteous will possess the earth and they will live forever on it. So may each of you find many more hope filled words of Comfort when you go to JW.org where each of you can find other promises of God who under His Kingdom rule in the hands of Jesus Christ will give your hearts a bright filled future, when all those who have died willl be brought back to live here forever.
