To Grammy, Where to even begin with all you have done for myself and my family. You were an amazing person, a person who would give the shirt off your back. You took Sarah and I in when we had no where to go and needed a home. I can never thank you enough for everything you have done for all of us. All the years you watched Sarah , getting her on and off the bus, all the dinners you made and so so much more. Ashley, Jeffrey , Rebecca and Sarah had a great GG and will remember all the times we all have shared together. The bed picnics that you shared with each and everyone of your grandchildren will never be forgotten. I am so happy you are without pain and are in a better place. Tell little Gram i said hi and please give Dad a big hug and kiss for me. I love you and you will be missed , but you will never be forgotten. We will celebrate your life and not shed tears But laugh at all the crazy stories we can all share . This is not goodbye but more of a see you again one day. I Love you, Wendy
