Sister White was a true follower of the Lamb of Yahweh who gave His life for our sins so that we can have eternal life by trusting in His mercy to forgive by His death, and His power as the resurrected Savior to live in us and change us into His own likeness. She continued in the faith to the very end through good and bad times (even with much suffering) . So , if we do the same, we will soon see her again in that soon coming day of everlasting peace and happiness.
