I just wanted to pass along my condolences at Tony's passing. I worked with Tony back in the late 60's and early 70's at the West View Isaly's. Tony was great influence on me and my friends. We were young but enjoyed Tony's sense of humor and his guidance in dealing with difficult customers with that same humor. He was one of those people that you met and never forget. I'm sure he's lighting up heaven. God bless. Paul Heckman
