Jim and Margaret's camp was near mine in Forest County and they so dearly loved spending extended periods of time there, comfortably living by the rhythms of the great forest. I especially miss listening to their wonderful hunting experiences and learning from their extensive geographical knowledge of the National Forest. I am sorry to hear of Jim's passing and after learning this, my mind was flooded with tremendous memories of a very good man. My condolences to the family and especially to Margret, her help was invaluable to me, more times than can be counted. God bless.

Many fond memories at Nags Head, Jim cooking and eating the King Mackerel that he caught, hours fishing on Jeannette pier, chewing Male Pouch chewing. When the blue bit my thumb, I am on my knees blood all over and Jim quietly says Ed you sure know how to draw a crowd!!! LOL Will never forget his kind easy going smile!!! Jim will be sadly missed!!!
