Many thoughts and prayers go out to family of Donna. We grew up together and had many memories living in Penns Woods. When I moved to South Park and found she lived one street over was thrilled. Although we didn't see much of each other only at school functions. She was always a kind soft spoken loving woman.

Words cannot express how much I hurt for all of you. Donna was the type of person who welcomed us into your entire family in a second. It has been an honor to have been her friend and our beach place won't be the same without her. Every time we go out to eat, we will remember, the \"tasting of the red sauces\" to be sure there weren't chunks in it. I have never met a more kind and loving person in my life. We love you all. God Bless you and RIP my friend, until we meet again. Give your Dad a hug for me-I miss him my the pool with his little radio!
