How blessed we were to have had the opportunity to spend time with your dear mother. Our families common bond brought with it many blessings. The friendships and sharing we had with her wonderful daughters also brought strength and support to our family. Had our paths not crossed this all would have been missed. We loved that warm motherly side that your mom shared with us. There is no doubt that she was a special mother. She, along with her daughters,, will truly be missed.May God bless you!
