Im so sorry for the passing of yr dear loved one, making this a very hard day for all who knew and loved her dearly. But there is a very comforting message of real hope for the future found in what Jesus Christ spoke about in him giving us a future promise of him using his Fathers Holy spirit to resurrect all of our dead loved ones back to life again and giving them all the opportunity to live forever on this earth, like the Bible reads at Psalm 37:29 amd the passage that supports the resurrection hope, is John chapter 5:28,29. But if ever anyone of you would ever want to get to know more about this wonderful hope, then feel free to visit us at jw.org and there you will find many wonderful things that will fill yr hearts with so much joy and happiness, in know that all of you will be able to welcome her back into yr loving arms, forever....

Please accept my heartfelt sympathy for the loss of your loved one. Donna was too young to pass away, making it doubly hard for you, the family. Please be encouraged by God's promise given under inspiration from God: "And he will wipe out every tear from their eyes and death will be no more. Neither will mourning nor outcry nor pain be anymore. T he former things have passed away."(Revelation 21:4) Days of mourning, Funeral homes, hospitals will eventually be a bad memory that will fade as the years go by. I hope this glorious promise will sustain you during this difficult time. Please visit jw.org for further information regarding the beautiful future that lies just ahead.
