To the Grier family: I was so sorry to learn of your loss. My relationship with Willa Mae spans more than 50 years. We met and worked together and became friends during the War on Poverty days in the 1960s. Her spirit, energy, generosity, kindness and wisdom never failed. Willa served on the County Board and as president of the Baldwin Community Action Committee. We kept in touch over the years through occasional phone calls and Christmas cards and shared stories of our children and grandchildren. Willa loved her family and enjoyed telling me about her children, grandchildren and great grand children. Count me among those who will dearly miss her. Take comfort in knowing she is with our Lord and her beloved Reno and Sparky.
