There is definitely less sparkle and sweetness at paramount after the loss of your mom and grandma. I knew her when my dad was there before he passed and she made him smile. I became a visiting volunteer after and we spent time together just talking. She loved her family so deeply and spoke so much about the beautiful love she shared with her husband. I will miss our talks but she is with him now. God bless you all.

So sorry to hear that about Aunt June. She was always so full of life. She would ride her bike to go see my mom when they were in Florida. Will miss her. You all are in our thoughts and prayers. The Love Family

Deepest sympathies from Millie Giel (June's friend at the Paramount) and her family. She brought singing and sunshine to everyone she met! Surely she is singing with the angels this Christmas. Love and prayers during this difficult time.
