I am very sorry for your loss of your mother. I remember when you brought her to Zumba class to watch, she was so proud of you! I pray you find comfort knowing she watches over you and your family now. My mom passed in '82 and I still talk to her...one place a mom never leaves is your HEART ♡

Dear Adams family. I am so sorry to have read of the death of Lenore. Please accept my sincere condolences. I would like to share something that I have personally found to be comforting. It is found in the Bible at John 5:28, 29 and Revelation 21:4. These verses tell us that soon God is going to bring about a resurrection of our dear loved ones as well as do away with all causes we have for suffering, including sickness and death. Knowing this has always comforted me and it is my hope that these thoughts will comfort your family also.
