To Connie and the Harlan Family: We are sorry for your great loss. We are going to miss Carl's gentle voice and humor. We always felt better after talking with him, he seemed to bring a peacefulness to us by his presence. We hope you have many good, happy memories to keep him alive in your hearts. That Rosie got to know him will always be an important and glad part of her life, but she wishes she could've changed his mind about the Steelers. Dad, I love you and you'll always be in my heart. I'm sorry we had to wait so long before finding one another again. You will always be a part of who I have become.
