Ginny, through a few of the most difficult years of my life, if you hadn't been there as a friend, not sure I would have made it.. You put an amazing amount of effort into everything you did, and were an amazingly dedicated mom to children. -

Ginny, I'll always remember all of our conversations we had and trips to wineries with Christy. You raised a couple of great kids and were such a great grandmother to Noah. We will never forget all of the great times we had with you!
