Have you ever considered about adding a little bit more than just your articles? I mean, what you say is important and all. Nevertheless just imagine if you added some great photos or videos to give your posts more, "pop"! Your content is excellent but with images and videos, this website could definitely be one of the greatest in its field. Terrific blog!employment law solicitors <http://employmenthint.eu/>

My sincere sympathy to the family. Bertha was a long time neighbor and friend. She was a smiling face that will be missed on Bost Drive. I spent many evenings driving Bert, Pearl and my mom to their women's club dinners. The ladies were all dressed up and managed fine for years as widows. They just couldn't drive at night anymore. God bless them all.

My deepest sympathy to Harold, Ricki, Bill and Lindsey. I always enjoyed my visits with Bertha, and her good cooking and conversations. I remember back in the 1980 visiting her and Smitty in their RV at Myrtle Beach, and all the family Christmas dinners. I will miss the nonstop conversations in the car ride from her house to yours and back. She was a wonderful woman who is already deeply missed.
