Awesome blog! Do you have any hints for aspiring writers? I'm hoping to start my own website soon but I'm a little lost on everything. Would you suggest starting with a free platform like Wordpress or go for a paid option? There are so many options out there that I'm completely overwhelmed .. Any suggestions? Cheers!<http://financetip.eu>

At this time it appears like Wordpress is the best blogging platform out there right now. (from what I've read) Is that what you are using on your blog?<http://eduhints.eu>
