Write more, thats all I have to say. Literally, it seems as though you relied on the video to make your point. You definitely know what youre talking about, why throw away your intelligence on just posting videos to your weblog when you could be giving us something informative to read?

My website discusses a lot of the same topics as yours and I think we could greatly benefit from each other. If you're interested feel free to shoot me an e-mail. I look forward to hearing from you! I'm really enjoying the theme/design of your weblog. Do you ever run into any internet browser compatibility problems? A few of my blog visitors have complained about my blog not operating correctly in Explorer but looks great in Safari. Do you have any recommendations to help fix this problem?

To Brian, Justin and Courtney, I woke today with thoughts for you all. I am not an eloquent man but wanted to write to you. The loss of your dad is a terrible experience to go through. I can only imagine how hard this is on you all. I liked Whane and thought he was a good man. I promised him I would keep an eye on the kids for him. I hope he & his friend Carmen are already on the first tee in heaven. Maybe they are with the big man himself and his son. I'm sure they will insist on strokes since they play on the water and not over it. There is a bond between brothers & sisters, if there was ever a time to come together its now. Love and help each other through this time. Love & my deepest sympathy, Bruce Huff & Family
