Dear Doerr family. I am so sorry to have read of the death of Frances. Please accept my sincere condolences. I would like to share something that I have personally found to be comforting. It is found in the Bible at John 5:28, 29 and Revelation 21:4. These verses tell us that soon God is going to bring about a resurrection of our dear loved ones as well as do away with all causes we have for suffering, including sickness and death. Knowing this has always comforted me and it is my hope that these thoughts will comfort your family also.

Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. Those we love don't go away, They walk beside us every day, Unseen, unheard, but always near, Still loved, still missed and very dear.
