I'm so very sorry to hear about the loss of Kimmy, I hadn't seen her in years but a few months ago I ran into her and I thought she hasn't changed much , that contagious laugh and bubbly personality was still there! She's now with the Angels, living a life of peace and serenity! My heart goes out to her sister Jaime(whom I worked with and was a friend) also to the rest of her family! With time the pain lessens yet never fully goes away as I come to find with the death of my brother . Her family is in my thoughts and prayers.
