Scott & Julie, We are very sorry to hear about your father's passing. Your dad was a great guy and it was a pleasure knowing him and we will always remember him being at the softball/baseball fields for all the games. Our deepest sympathy to you both.

To my dear Uncle Jack, you were there for me, my mom and sisters when my dad was sick and then when he passed. You were there for me when Ricky passed away. You were there when Jennifer got married. You were there when my mom passed away. You were truly my second father. I will always love and miss you.
