Dear George, George and family, I am so sorry for your loss and I'm sorry I did not get the message from the funeral home until I arrived at work this morning (Monday). I would have been honored to offer God's words of assurance to your family but know you will hear them from the one who is speaking. My prayer is that the deep pain you fill now, this season, will not last very long. This season WILL pass, this I can promise. You may revisit the depth of the pain, but you will not linger. Pat is now with those who have gone before her, in the presence of our Lord. And you WILL see her again. I will be praying God bring you memories with smiles to rest alongside the tears of loss. Please contact me if ever you would like to talk or pray! God bless, comfort and help you through this! Chaplain Dianna

George, she welcomed me into her home and made me feel like I was family. It was so easy to see what a sweet wonderful person she was. My heart goes out to you and your Granddad and all of your family. I know what she meant to you, and you to her. Every guy should have a Grandmother like her. You will cherish memories of her forever. Love you Bud
