Linda, Please accept my deepest sympathy. I just found out about Jack at the CHS Reunion Picnic from Linda Goodboy. I've known Jack since grade school and always considered him a friend. Jack and I had more in common than just our first name. We both stuttered extremely bad in our younger years. I felt terrible for him, and I'm sure he felt the same for me. I could go on and on about about us growing up in Wilson with all our friends. Please call me, if I can help in any way. I'm in Moon Twp and my number is in the book. Love, Jack Herring
