Mr Weckerle was one of my first friends. I would sit on the curb as a kid and talk with him while he washed and cared for his motorcycle. I would try and race him on my bicycle. I am so sorry to hear of his passing. He was a great man with a kind heart and still made me smile to talk to him to this day. My condolences to the Weckerle family.

Roy, and family. You know how I felt about your dad. Best thing since sliced bread. Living life on his terms and always glad to see friends. I'm sorry there won't be any more chance meetings when I could always count on a hug.
