I am shocked and saddened to find this nearly seven years later! Frank was one of my best friends from junior high through college. We had many wild, crazy and wonderful times together that are indelibly burned into my memory. My long belated heartfelt condolences to his family especially Kim and Paul. I hope you're doing well. Separated by time and distance but never forgetting. Bill

Frank was an acquaintance and a friend. He always wore a smile and was ready to put a humorous spin on any situation at any moment. Frank, for that I thank you. That is what makes life bearable and we are all the richer for having had the privilege of your association and friendship. My deepest sympathy for your family at this time. May the love of our Heavenly Father bring comfort to those nearest you with the assurance that all will be reunited again in a much better place and where you are now.

My deepest condolences to Frank's wife, daughter, brother, and all his family. I knew Frank as an excellent attorney, a gentleman and friend. I am the Administrative Assistant for Sr. Judge William Nalitz. Before that I was a court reporter for 40 years and came in contact with Frank often. Judge Nalitz also sends his sympathy. He had high regard for Frank and knew him from both Washington and Greene Counties. My prayers are with you all.
