Dear Pillar and Noroski Family, Paul and I have had each of you in our thoughts and prayers this last week. I remember your mother as always being so kind and patient; but most of all very proud of her children and their accomplishments. I only wish that we would meet and greet one another more often, especially during our celebrations of life. The Drozd cousins have been very blessed with a wonderful heritage of goodness and love. I am certain that they are gathered in heaven with a good game of pinochle or bridge. May God Bless you all. Sally

We were deeply saddened to hear of Aunt Martha's passing. There is a great Temona Drive reunion now in heaven. They are probably sitting around a keg remembering the wonderful neighborhood we had, or maybe they are watching a play or parade! She was always dignified and kind. So sorry for your loss, I hope your memories will help you through the sadness.
