If you could see where I have gone.....the beauty of this place and how it feels to be home, to see the Savior's face. To wake in peace and know no fear or pain, just joy beyond compare. While still on earth, you will miss me, yet you wouldn't want me there if you could see where I have gone. If you could see where I have gone, you'll know that we will meet again some day. And now that myself and your mom are home with Him, we are waiting at Heaven's door to greet you some sweet day. It is truly a very hard thing to lose someone who you loved. It is equally hard to put into words, to let you how sorry we are for that loss. Just know that we share in your grief and know that it will get better with time. Cherish the great times and memories that you have. He will never be forgotten. We love you very much. Aunt Kathy and Uncle Frank
