I am sorry about your loss. Death is always difficult to deal with, no matter the circumstances. Even though I did not know Mary, I try my best to encourage the bereaved with a comforting thought from God's word the bible. Notice these encouraging words in the bible book of Revelation 20:13. It says in part, \"Death and the Grave gave up the dead in them.\" The book of Revelation is a prophecy about the future, and here it prophesies death being no more and the Grave being emptied. This describes the hope that the dead have a sure opportunity to love again. I hope this brief thought from God's word the bible provides some comfort. More information can be found at www.jw.org.
