Uncle Bill to me too. I wish I'd heard about this when it happened, would have been nice to connect with cousins Patti and Donna whom I haven't seen since we were little kids. I'm glad my sister Sue and I got together with Bill and Linda a few years ago on New Year's day and and reminisced. He still reminded me a lot of my dad, his brother, who we lost a lifetime ago. We will miss him.

Uncle Bill. You were larger than life and one of the few men in my life that I thought the world of. You had class and charisma and... you were loved all the more for it. To Linda and the family, I am so sorry for your loss but know that Bill Weis is now up in heaven telling awesome stories and having a great time. auf Wiedersehen
