What a beautiful life on earth that came to an end. Our paths crossed by the marriage of our children. It was such a joy to be around Tom, being entertained by his piano playing, especially Phantom of the Opera, playing golf, eating the delicious cookies and pies prepared by our granddaughters, spending many holidays with his wonderful devoted sons and his loving wife Geri. Until we all meet again on the beautiful shore we will truly miss you. Betty Cashdollar

Our deepest sympathy to the entire Flanagan family, who has become just like our own family through the years. We will miss Tom, but have lots of great memories to help us remember what a wonderful person he was. Hoping those memories will help ease the sadness.
