I am very saddened to hear that Mrs Macko passed. I worked for Mr Macko at the airport in the 80s and early 90's. She was exactly like me like the obituary reads. Mr Macko, Susie, Larry, my deepest condolences. Vinny Richards

Betsy was my mom's friend from high school! They remained friends through out all these years! Unfortunately the aging process limited their visits the past few years but they kept in contact by phone. Betsy was a wonderful human and will be missed by many but none more than her friend Jane!

I met Betsy 13 years ago when we moved across the street from her and Butch. She and I instantly became friends. She loved to look over at my yard, and always complimented my decor. Butch calls me the "nebbly" neighbor (for I am always looking out for them) and Betsy would always interject with, "you are the best neighbor ". Rest in peace my dear friend. I will remain the "best" "nebbly" neighbor to the rest of the street. Love you forever ❤️ 👤 Robin
