My Dear Brother in Law Bob was more than just a Brother in Law. He was a close friend, mentor and more like an older brother. He was an excellent father and a loving husband to my sister Electra. A family man that loved his parents and siblings and my mother. Our families spent all the major holidays together and they made Thanksgiving and Christmas special whether at my house or his. We spent vacations together and special events like weddings and graduations. He was kind generous and hospitable. I will never forget him coming to the airport and picking my family up after narrowly escaping the revolution in Iran where I was employed. He took me to my doc appointments since I was injured and hosted meetings and my family thus becoming my children's favorite uncle. My family will always hold a special place in their hearts for Bob. Our times together will be forever etched in our hearts. May his memory be eternal.
