Pauline Roberta Buel

AUG 31, 1934 - NOV 20, 2024

Pauline Buel passed away on November 20th 2024, at the age of 90 in Woodbridge, VA. Born on August 31, 1934, in Pittsburgh, PA, Pauline touched the lives of all who knew her. She was the beloved wife of the late Raymond Buel, with whom she shared a devoted marriage of 54 years.

Daughter of the late Emma Smith, Pauline was the oldest of nine siblings; George, Emma, Patricia, John, Leo, Billy, Phyllis and Howard. She had two loving daughters; Robyn Cronje (Simon), and Lori Demas (Thomas). Pauline was a proud grandmother to seven grandchildren: Kate Cronje, Tyler Cronje, Thomas Demas (Alex), Matthew Diomataris (Hannah), Brittany Brunelle (Chris), Luke Demas, and Dominic Demas. Her joy was multiplied with the arrival of her five great-grandchildren: Alma Demas, Raymond and Reiley Diomataris, and Jack and Finn Brunelle.

Pauline's journey took her to the Norfolk and Virginia Beach VA area in 1965 with her husband, where she lived until 2004. They then moved to Woodbridge VA to be closer to their daughters. Pauline enjoyed sewing, baking, bingo, bowling, and babysitting. Her faith was an important part of her life. Aside from attending Mass she spent much time volunteering at church which included being a sponsor for catechumens entering into the Catholic Church. Her life was one of caring and generosity.

Pauline's life was marked by her unwavering strength, especially in the face of Alzheimer's in her later years. Her grace and dignity through the challenges of the disease were an inspiration to all around her. Her family takes comfort in knowing that she is now at peace.

Grammy, You were a strong willed, enjoying the best of life person. From you I received only the best taste in food, shoes, jewelry, and so much more. You always enjoyed the most out of every moment from our trip to the Bahamas on a cruise together or our trip to Atlantic City to just have a good time for the day. The memories I have of us together are endless, just as your love for your family was. The Fall and Winter holidays were some of your favorites with family coming together and sparkling decorations all around. You always enjoyed going into a Christmas store all year round. I have so many fond memories of going to feed the ducks at your home on the lake. You always treating me to anything that I cherished or felt beautiful in. Always enjoying a cup of coffee or afternoon ice cream together. I love you so much, Your favorite red-headed granddaughter, Brittany

A life well-lived, full of love, warmth, and cherished memories. To me you were a guiding light, a source of endless love. I will forever hold dear the memories at your place by the lake, where as a kid time seemed to slow down, and every moment felt like a treasure. Your laughter and stories, and the simple joys that made being with you a place of comfort. Over the years you taught us a lot about kindness, strength, and the power of family. I am grateful for every moment spent with you and will carry your love in my heart always. With all my love, Matthew Favorite Grandson ;) and Godson

One memory I have of Pauline (grandma) was when she, my mom (Lori), and I were at Walmart sometime in 2010-2011. We walked by the video game section and I asked my mom if I could get a video game, she of course said no. So I, of course went to grandma while she was away from mom and asked her instead. Grandma lovingly said yes and I picked out a game and she brought it up to the counter and paid for it. Soon after while shopping, my mom noticed the bag I was holding. She asked what it was and where I got it. I told her grandma bought me a video game! Mom was of course upset but I was excited to play the new game grandma bought for me :) the game was Sonic Colors for the Nintendo DS and I still have it! Thank you grandma
