# **G** EORGE DONALD "DON" FULTON

Age 103, on Wed., Nov. 20th. Preceded in death by his loving wife of 63 years, Gladys (James) Fulton. Survived by daughters Donna Paterson (Ron Reinmiller) of Bend, OR and Rhonda Kelly (William) of Pittsburgh. Grandfather to Christopher Paterson (Betsy Sole) of Klamath Falls, OR and Wendy Kasrawi of Phoenix AZ and great-grandfather to Amira and Amani Kasrawi.

Don was a life-long Pittsburgher who grew up in Swissvale, raised his family in Baldwin Twp. and spent his last 18 years at Friendship Village in Upper St. Clair sharing his quiet dignity and wry humor with many new friends. Don was a veteran of the US Army serving in Europe during World War II and was employed in the Computer Services Dept. of Dravo Corp. prior to military service and afterward until his retirement.

Don was an avid golfer and Pittsburgh sport teams enthusiast, but above all, he was a dedicated family man who actively supported the well-being of friends and neighbors with acts of kindness and compassion throughout his life.

Don's family offers sincere thanks to the staff at Friendship Village and particularly to those at the Health Center who supported and cared for him in his final months.

Visitation will be held on Monday, November 25, 2024 from 12:00 pm - 2:00 pm at Jefferson Memorial Funeral Home followed by private burial next to his wife. A public celebration of Don's long life and legacy is being planned at Friendship Village after the holiday season.

In lieu of flowers, donations may be made to the Wounded Warrior Project or a charity of your choice.

A true legend in every sense, my Grandpa Fulton lived his life with passion and purpose. His love for golf was only surpassed by his love for family. Though many would have thought it time to hang up the clubs, Grandpa had other plans. At 98 years old, my Grandpa and I played our last round of golf together at Frosty Valley Golf Course. I was shocked when he rented a golf cart because my Grandpa always walked the course. Later, I learned from the staff that he didn't want his granddaughter to have to walk the course. That was the essence of Grandpa—always thinking of others, always putting family first. Whether it was on the golf course, around the dinner table playing Chase the Ace, at Mom and Ron's playing Corn Hole, or at Aunt Rhonnie and Uncle Bills playing Croquet, Grandpa brought the game on and won 99 percent of the time with class, humility and joy. He was a loving father, grandfather, great grandfather and friend whose legacy will live on in the hearts of all who were fortunate enough to know him.

... As I was driving, there was a huge, beautiful rainbow in front of me. The colors were faint at first but then they were the most vivid colors I've seen. What a site! ...I thought of you're dad [Don] and God's promise. I was feeling sorry for the family's loss - then as the colors [of the rainbow] started to show - so faint and gray at first then bright and vivid, thought about Don. How he left nothing on the field (golf course)!What a bright and beautiful man the family can be proud of.Sending virtual hugs.Tooter and Conrad Reinmiller

I loved grandpa Fulton so much and I loved calling him and just hearing his voice and I remember playing with my new T. Rex toys with him and my aunt Rhonnie. I'm going to miss him so much and I know that he is in a better place now. I love you grandpa Fulton
