Julia Elizabeth Linn

JAN 20, 1930 - NOV 26, 2024

Julia Elizabeth Linn (Holeczy), 94, passed away peacefully at the Masonic Village of Elizabethtown, PA, on Tuesday, November 26, 2024. She was ready to meet her Lord. In her day to day, Julia wanted everyone to know about her love for Jesus Christ and her walk with God. She loved to share her faith with everyone.

Julia started life in Pittsburgh, PA, as part of a large family. She was the eighth of nine children born to Samuel and Margaret Holeczy. Julia's greatest joy was marrying the love of her life, the late John W. Linn (Jack). They enjoyed 58 years of marriage. Julia was a loving mother to 5 children (4 boys and 1 girl). Every child was involved in something from sports to choir to drill team and band; Julia successfully shuttled everyone around. But having 5 children to schedule was not enough for Julia. There was so much more to do in a 24-hour day. Julia was involved in garden club, financial investment group, Bible study, managing a toy company and a part-time job at Sears. Julia was a woman before her time. In the days before social media, she sold her marvelous cream horn recipe for \$1.00 by advertising in baking magazines.

After the children were raised, Julia did not slow down. She went off to college and graduated with an associate's degree in Business Administration. This degree led her to Conoco where she was an administrative assistant and ultimately retired. After retirement Julia volunteered at Sam Houston Hospital where she was recognized for over 2400 volunteer hours. But Julia was not all work. She loved to play games and was a phenomenal game player. Her game of choice was pinochle, but she was a worthy adversary in Scrabble, Mexican Train (dominoes), and Euchre. Never slowing down, she medaled at the Senior Olympics.

Julia made an impression on everyone that she met. She was known for speaking her mind and letting others know what she thought. She was the glue that held the family together by sharing information with everyone. Julia, known as Mom, Grandma and Gee Gee will be missed by her five children, eight grandchildren, eleven great-grandchildren and her extended family and friends.

Julia was my best friend, Jamie's Grandmother. The first time I met her was at an Easter event with the family. I was much older than Jamie, so of course she wanted to know why it was that I was hanging out with her 18 year old Granddaughter. I told her that Jamie and I were saving each other from various troubles and that I promised I would be there for her Granddaughter throughout the rest of time. When my daughter was pregnant with my first Grandson, Conner, I wanted her to spend her first year at home with him rather than having to work. I gave up my home to my daughter and her husband, and Julia helped me to make that happen as I rented the garage apartment of her son Jeff in the meantime. I was honored to be the taxi driver who would take her to and from the airport when she would come to visit here in Houston. Julia was a strong, proud, beautiful, and wonderful woman. I celebrate her life and her Legacy, and am still best friends with her Granddaughter Jamie (as promised) and also a friend to her son Jeff. If it weren't for Julia, I would never have had the chance to have these magnificent people in my life.

One of my many favorite memory of Aunt Julia was the time I went to the Holeczy Family Reunion 2022. I rode with her from Bethlehem, PA to Poughkeepsie, NY. I sat in the back with Aunt Julia while cousins, Kenny and Janice navigated the route. Aunt Julia entertained us the entire way. On the return trip back to my sister's house, Aunt Julia, Aunt Lil, and my Dad got together and told wonderful family stories and shared lots of laughs. It was great to see the closeness of the three siblings as they enjoyed each other's company.
