## **Beth Ann Clark**

MAR 10, 1967 - JAN 3, 2025

**B**eth Ann Clark, age 57, passed away on Friday, January 3, 2025.

Beth received her Bachelors degree from Indiana University of Pennsylvania. She then went on to pursue a nursing degree and work as a registered nurse. She enjoyed hiking, roller blading, boating, reading, working out, and anything that kept her busy.

Beth was loved by all that was fortunate enough to know her. Beth's voice and presence would light up a room and put a smile on your face no matter your mood. She had a love for animals, whether they were hers or strays in the neighborhood. It was in her nature to be kind. Beth enjoyed snuggling in with a good movie and her favorite bowl of ice cream. She also loved her music, it truly touched her soul. We all know she loved her sweets: gummie bears, lolly pops, and chocolate. Bottom line, anything sugar. She will be greatly missed by all who knew her.

Beth is survived by her husband David Clark; parents Julius and JoAnn Pallof; brother Matthew (Christina) Pallof. She is also survived by other family and friends.

Visitation will be held on Monday, January 6, 2024 from 2:00 - 4:00 pm and 6:00 - 8:00 pm at the Jefferson Memorial Funeral Home, 301 Curry Hollow Road, Pittsburgh, 15236. A funeral service will be held on Tuesday, January 7 at 10:00 am in the funeral home's chapel.

Online condolences may be shared at [www.jeffersonmemorial.com](http://www.jeffersonmemorial.com).

Dearest Beth, this can't be true! Beth was one of a kind! The embodiment of what every human being should strive to be! Such a dedicated nurse who accompanied sweet Char to every class and that included my music class. Did Beth just sit there? Of course not! She participated every step of the way! Your smile was infectious, kindness and caring was second to none! You were loved by all who had the privilege to meet you! The most beautiful soul, gone way too soon! You had made such a positive impact! Love you! Mary Ferro 🙏

Oh Beth. You may have started out as Char's nurse but you became so much more. You were family. You were a second mother to Char and I never, ever feared anything happening to her with you by her side. You were one of my best friends and like a sister to me. I am still in shock. It's not fair. You were and are such a beautiful soul. A rare human being. You showed everyone kindness. You never made any kids at school ever feel left out and they came to all love you too. Char's Snapchat was flooded with her friends leaving comments about how sad they are. You were so young at heart. I loved your childlike energy, your ability to laugh at yourself and find the joy and humor in everything. The world got a lot darker. Your smile isn't here to light it up anymore. I will cherish our matching tattoos my Good Witch. I love and miss you so much.

My aunt Beth was a daredevil and so ambitious, I'll never forget riding one of the scariest rides at the kenny wood amusement park with her. She was so outgoing and loved talking with me about girly things like makeup and hair care she holds such a special place in my heart and i'll never forget those memories.-Eleesia

Ms. Best, as I liked to call her, was a woman like none other. She had the kindest soul to all people and animals. I got to know Ms. Best when she was one of my student's nurses. Beth was amazing at her job, always tending to her patient, but always in tune with everyone else. She'd talk to and include the kids who were a little shy or feeling left out. She was always so encouraging and supportive. It was a sad day when that student went on to Jr. High. I thankfully kept in touch with Ms. Best, we'd text randomly. I was so excited she finally got a new puppy. Oh how she loved Pip! I had texted her randomly in May, and she told me it must have been a sign because she needed me to cheer her up. We actually made plans! Her husband was going out of town, so her sister in law and she joined me at Drag Bingo. She told me I was taking her out of her comfort zone, but I knew she was going to love it. We had such a fun night laughing so hard! My heart is truly broken. Our world lost one of the greatest. My sympathies to David & the rest of the family. Thank you for sharing Ms. Best with us all.

I'll always remember Beth's laugh and smile. She was in such a great mood anytime we were fortunate enough to see her. Her love of people and pets was obvious to anyone who was blessed enough to know her. She took such good care of our granddaughter Charleigh as well as her entire family. She was kind and giving to everyone! We will never forget her and her loss shall be felt forever. We love you.

I love this picture of her. I believe this was at Scoops for Christian's birthday. She always made sure she spent time with the boys too.
