My most recent memory was a few years ago when I was visiting Jackie and Ron with my husband and boys...Dot wasn't feeling well enough for a visit, but insisted on making us one of her prized homemade pies despite her health and physical limitations. This touched my heart deeply and was a picture of how selfless, generous, loving and kind she always was. Sending love and prayers to all her family and friends ❤️

To all of Dot's children I would like to send my deepest condolences and share just one of many memories. Dot on the Lane was one of my most favorite relatives. She was so kind and caring and always had all of the neighborhood kids over. I'll never forget the fun we had when we came out to your house and sat by the fire with people singing and playing guitar, Dot nearby and always willing to listen or try to cheer you up when you were down. We had many conversations in the kitchen and they meant so much to me. The world was a better place because she was in it and I loved her. I wish all of you peace with her passing now she is at her forever home with God, and just remember one day you will all be together again. Much Love Denise Hutton

She was always planting something! She is probably right now, telling all angels what to do!She will be greatly missed!
