Mary Sue, spring is trying to spring, but, seems like even mother nature misses you. WHO KNEW! Even so, that doesn't come close to how much I miss you everyday. Love, Judy.

I am heartbroken to hear about Mary Sue's passing. She was such a kind and caring person, and I will always be grateful for the way she stayed in touch with me. I remember the concerts we attended together (ROLLING STONES among others) and just hung out together. Her warmth and kindness meant so much, and I will miss her. My thoughts are with you and your family during this difficult time. Please let me know if I can do anything for you. You and your family are in my prayers.

John, Johnny, Danny, Allison, and Erica, We are so grievously sorry for your loss. Mary Sue was so generous, kind, loyal, dependable, honest, exceptionally loving, intelligent, caring, perceptive and patient (with me), and BRAVE. We were the best of friends and spoke to each other everyday. We never said goodbye without saying I love you. We were not just cousins we were the best of friends almost since birth. We can hardly believe she's gone. It's hard to breathe through the loss. She's in heaven now, we are going to miss her dearly, everyday. With prayers and heartfelt sympathy, Jim & Judy 💙👤
