Kathleen Hurst

NOV 24, 1950 - MAR 3, 2025

With heavy hearts, we announce the sudden passing of Kathleen Anne (Leslie) Hurst, 74, who left us too soon on March 3, 2025. She was the beloved wife of 20 years to Thomas Hurst.

Kathleen is survived by her daughter Erika Klockziem (Kevin), her sisters Bonnie Imhoff (Michael), Beverly Rothhaar (Bob), and many nieces and nephews.

Kathleen was preceded in death by her parents Lois and Paul Leslie.

Kathleen was known for her love of the University of Pittsburgh. As a recent retiree after 30 years of employment at Pitt, Kathleen would still work at the University when needed, as she loved her job and her colleagues.

Upon retiring, Kathleen enjoyed spending time with family, vacationing in Northern Michigan to visit her daughter and son-in-law, exercising, and playing with her dogs, Riley and Murphy.

Relatives and friends are invited to join the family for visitation on Sunday, March 9, 2025 from 2:00 pm - 4:00 pm and 6:00 pm - 8:00 pm at the Jefferson Memorial Funeral Home, 301 Curry Hollow Road, Pittsburgh, 15236.

A Funeral Mass will be held Monday March 10, 2025 at 11:30 am at Church of the Resurrection, 1100 Creedmoor Avenue, Pittsburgh, PA 15226, followed by a private committal service at the National Cemetery of the Alleghenies.

In lieu of flowers, the family suggests donations may be made to Animal Friends, 562 Camp Horne Road, Pittsburgh, PA 15237. <https://thinkingoutsidethecage.org/donate/>

It's a little over 6 weeks that you've left us. I know we had disagreements but we always made up. I'm so glad or I would have regretted it forever. You do know you were loved by many. I love and miss you more than you could ever imagine. You have no pain now. Rest in peace. I love you. ❤️

Kathy is my oldest Cousin. When I was growing up we, our families - The Leslie's - used to get together for holidays & family reunions. Kathy was always happy & genuinely interested in talking with me. I think she is one of the nicest , most genuine people I have ever met. She will be missed.Brian LeslieBaton Rouge, Louisiana

Mom,You've been gone for almost two weeks, and not a day has passed where I have not thought about you.I know that parents are supposed to die before their children, but you were taken from me, Tom, and the rest of the family and friends way too soon. It's not fair.Until we meet again....

I can't imagine life without you. These past few days have been hard knowing that I will never see you or talk on the phone or argue with you. You'll always be my big sister. I love you and miss you so much. RIP

First time my sister and her husband visited us in Williamsburg. Had to be the hottest day of the year but had fun spending time together. Love you and miss you 😊

I can't imagine a holiday or important event, since I was a little girl, without Kathy. She was my maid of honor. She had an amazing sense of wonder and desire to know and understand how things work in the world, and tremendous respect and admiration for those with knowledge. Then there was her great love of animals that she imbued to everyone she encountered. We love you, Kathy

Aunt Kathy, whose radiant presence and infectious laugh lit up every room. She was more than just family; she was a mentor who encouraged me to chase my dreams with vigor. I'll never forget her beaming with pride at my graduation party, sharing invaluable guidance that I carry daily. Her legacy of kindness, perseverance, and passion enriches me still. Aunt Kathy, your spirit lives on in the lives you touched. Thank you for the light you brought into our world. Until we meet again!-Iziah Waugh
