Beth Ann Herbel

FEB 16, 1957 - APR 16, 2025

Beth Ann Herbel, 68, of Mt. Lebanon and Cecil Township and formerly of Greentree, passed away peacefully early Wednesday morning, April 16, 2025.

She was preceded in death by her brother Mark and her parents, Richard and Mary (Raletich). She is survived by her sister Carrie and numerous cousins, nieces, and nephews.

After graduating from Keystone Oaks High School, Beth attended Penn State and graduated with a Bachelor's Degree in Nursing. She lived her dream to be of help and comfort to others, working as a Registered Nurse for 40 years at UPMC Mercy Hospital.

Her life was always first about taking care of her patients and being responsible in her job. She was gracious, selfless, and pure of heart. Beth enjoyed travel and never met a happy movie that she couldn't cry over. She loved her job, her friends, her family, and her God and that was enough for her.

Though her body and heart became increasingly fragile as she suffered through ten strokes, Beth remained content and optimistic and never complained about her circumstances. She found comfort as a member of the Christ United Methodist Church in Bethel Park.

Beth made the world a better place; may she rest peacefully always. Arrangements are entrusted to Jefferson Memorial. Services are private; a celebration of Beth will be arranged. To honor her, please consider a contribution to an organization or charity of your choice.

Karen Cononie Greene posted:

Beth and I were friends since kindergarten. We were candy stripers for 4 years while on our summer vacations in high school at Magee hospital. We never had any kind of disagreements in 63 years, she will always stay connected to my heart. RIP Beth, I love you.
