Janet was a gentle soul who embraced life. She was loved by so many people just by being herself. My baby sister, my best friend, my everything. Life will never again be the same. I never needed another anyone, I had Janet! "Because I'm still in love with you, I want to see you dance again, because I'm still in love with you...on this harvest moon." Rest easy my beautiful sister. Thank you for loving me so sweetly.

Janet was the kindest, caring, and sweetest person. She would bring laughter to all who surrounded her. She would always make sure that the children were smiling. I will forever remember her everytime I drive through the carwash or drive through a tunnel and make a wish. ❤️

Janet, was sweet, kind and caring She always had a smile on her face and was ready to share a laugh with everyone. I remember Janet way back from our St. Norbert's elementary school. She was very intelligent, always in Group A,, yet she socialized with everyone because she was so well grounded. My deepest condolences to her family and especially to her husband Joe. Although I only met him a few times it was very evident they adored each other and were the perfect couple. Janet had a positive impact on so many people, she will be missed by all. Janet will live on in our memories. Now her spirit is free from its earthly constraints.I am certain that Janet's sister Karen, jumped in front of St. Peter to welcome Janet as she crossed over the rainbow bridge into heaven.Again my deepest sympathies to her family and friends.-Patrick Passanante

I have been friends with Janet for 40 years. We worked together when we were in our 20s. We "might" have gotten into some mischief when we were younger. The main thing about Janet was...whatever we were doing, we were laughing! She could be brave and bold when the circumstances called for it, and the next minute we would be hysterically laughing. In these later years she spoke to me a lot about how important her husband and family were to her, and how much she loved every single person. She was thoughtful in so many ways. I will never forget my remarkable, sweet friend.

Janet was never my teacher at The Day School. However, I remember seeing her in the halls, and she would always smile or say hi to me. She truly cared about her job and the students she taught. She was taken away too soon, but I know she is looking down on us and smiling in a better place.

Janet was my best friend for 57 yrsI have so many fond memories. But the one that we laughed about to this day was when we were playing cards some of us who worked at the Baptist Home and I drank 10 shots of Jack Daniel's. Needless to say I got totally sick and never did it again. We would always laugh about it. I was lucky to have Janet in my life.
