So sorry to hear about Bob. I just somehow thought about him and and googled his name and found out. I could not have asked for a better supervisor when I was hired at Allegheny general hospital 35 years ago. He was a great guy. ❤️

Bob enjoyed life to the fullest; whether he was spending time with family and friends or playing his guitar or "air guitar". Bob was a quiet, humble man who was a wonderful husband, father, grandfather and brother. He dedicated himself to loving and caring for his family. He loved to host celebrations and would always watch the parade and "man the grill" on the 4th of July. Bob's love was demonstrated in all his actions. I will always remember his love for his family. Thanks for being the best "big bro" I could ever have. Love you Bob.

Bob, you were the best son, brother, husband, father, grandfather, brother in law, uncle and friend. You were truly one of the good guys. Always patient and kind and willing to give the shirt off your back to anyone in need. You will be missed terribly, but the memories will keep you alive in our hearts till we all meet again. Rest in peace my dear brother and you and Bill better behave yourselves. Much love always and forever, Wendy. ❤️
