Too many memories to put on here. But a several of my favorites were the Ducky tour, light up nights, the Pirate game, holiday parties and her stopping by my house to bullshit and have a glass of wine at poolside. Joanne was like a sister to me and I cannot put into words the love I had for her. Joanne took everyone under her wings, young and old. Joanne never had a bad word to say about anyone and always brought out the best in me. I will cherish her memory forever. Joanne loved her family and friends. Fly high with the angels Joey. I love and miss you already. ❤️ 👤
