I have too many wonderful memories to choose just one. These photos are from our high school days. We met in band and became great friends. Marcia was so intelligent, friendly, caring and fun to be around. I was blessed to know her. We had a chance to have lunch and reminisce together not too long ago. I'm so glad we did. Rest in peace my dear, sweet friend! Until we meet again.

I had the honor of working with Marcia for almost 25 years. She was my confidant and friend. We shared many phone conversations over the years, laughing and even crying together. Both her laugh and smile were infectious. The most noted thing was how much she loved her family. She will be greatly missed by everyone who knew her.

Marcia was my best friend for over 35 years. To quote a song, "For Good", people do come into our lives for a reason, and definitely better for knowing them. This was Marcia everyone she met was better for knowing her. You will be terribly missed my friend but you will be in my heart forever.
