So sorry to hear of your loss, when I was a child in the late 60's and early 70's us three siblings would always get to pick a place to eat on our Birthday and we always choose Keck's to get a surprise out of the treasure chest. Many happy memories there, so know that she made a lot of people happy in her life. So please take solace in that. Not many people have made so many good times and memories for people. Certainly a blessing.

Fond memories of Mrs. Keck, I had the privilege of growing up as her next door neighbor. Wonderful polite lady who always had a good word to say.
