Kathy Lynn Vogel, 63, of Pittsburgh, PA. passed away on October 2, 2025. Professionally, Kathy had a very successful career working for Deloitte Consulting. Kathy would not remember me but I certainly remember her because she was the bright spot in every day that I worked with her for a couple of years back in the nineties. A friendly face, kind words, a genuine person sure did mean a lot to me during that time. May she rest in peace. She was a lovely caring person.

I am so shocked and saddened to learn of Kathy's passing. She was a wonderful colleague at Deloitte, with a calm and caring that camouflaged her ability to get things done -- well, right, and on time. Kathy touched so many of our lives and I will always remember my fellow dog lover and tales of doggy day care. My condolences to her family -- and to her nephews and nieces, I'm sure I do not need to tell you, but she was so incredibly proud of you. Patti O'Toole Pittsburgh office colleague for decades
