When I was a little girl, around 5 or 6 years old, my Uncle George came to my birthday party. He brought me a red wagon. Then he took me right outside to pull me around and ride down the hill. It is my only memory of that day! I never forgot it. I was the happiest little girl in the world!!! Love you Uncle George! I will miss you! But I will see you again! Your niece, Joyce

George, Mike, Christine & Barbie and your families, Please accept our deepest condolences & sympathies for the loss of your father! I have many loving memories of Uncle George and Annie, starting with them coming to my wedding in VA, with YiaYia and Mary & Ray! All the times they'd make sure to visit when we were in town. Uncle George playing and dancing at the Greek festivals! The love he showed his family from Annie, you kids and his grand kids! I will miss talking to him and his smile! May his memory help to lessen the ache in your hearts over the coming days! Hugs and love to you all! Bev & Rob Calderoni
