# Sharon Faye Gilbert

JUL 1, 1954 - JAN 4, 2026

**S**haron Faye Gilbert was born on July 1, 1954 in Pittsburgh Pennsylvania. She is the daughter of the late Kenneth and Mabel Gilbert. She passed away peacefully on January 5th, 2026, surrounded by family and friends.

Sharon graduated from Baldwin High school in 1972. She attended the Community College of Allegheny Country and became a certified CNA.

She worked for many years at Mercy Hospital in Pittsburgh and at Manor Care in the South Hills. Her last years were spent working at the VA Hospital in Aspinwall. So many patients that she took care of fell under her spell of kindness and good humor. She loved her work and told so many funny stories about the people she cared for. Her friends have shared how good she was at giving care for her patients.

Sharon was the type of person who could light up the room. She had a wonderful sense of humor and charming witty way about her. There was nowhere she went that she did make someone smile or laugh. Even during illness so many of the hospital staff just fell in love with her.

She enjoyed family, friends and travel. She was able to travel within the United States and made several trips to the Caribbean on cruises with friends. I think she is best known in the family for her great cooking skills. No one could beat her Mac and Cheese. She constantly shared her very refined palette for seasoning food just right, sometimes a little too much.

Being a fan of fashion she loved to have the latest in stylish clothes, designer bags and shoes, and took great pride in styling and profiling, as they say. She liked a nice car too. But she was also very generous and loving particularly to her niece and nephew Alexis and Jordan and grand nephew Christian and Jordan Jr. She was really good at being the fun aunt. As a sister she was one of the greatest blessings, always there to lend a hand and a shoulder, warm a room with laughter, never letting anyone down. She cared lovingly for her grandparents in their last years allowing them to

I worked with Sharon at the VA in Aspinwall on 2b. She was such a wonderful person. She loved her Pepsi and potato chips. Most of all she loved her Veterans she cared for. It was always a shower and a shave. She will be truly missed by everyone>

When I was a "new" nurse in 1976 at Mercy Hospital, Sharon was the 3-11 nursing assistant on the floor. Sharon made that difficult job much easier and I can't imagine it without her. Her skills, her sense of humor, and her care of patients taught me how to be a better nurse. The stories from those days still make me laugh and I am sorry to hear about her passing. She was always a light in the room, and I'm sure will be missed by many. May she be at peace.. 🙏

Sharon and I worked together at Mercy Hospital 50 years ago. I was a brand new RN and Sharon was a Nursing Assistant On the 3-11 shift. Sharon and I would work together caring for a team of 23 surgical patients. Sharon was always happy and her laugh was infectious. She would make those busy shifts bearable. Sharon also cared for my father at Manor Care many years later. Rest peacefully Sharon . Memory Eternal Eve Rozinsky Medich

Sharon and I met at Mercy Hospital in 1972. From that day our friendship began. Her wit and laughter was unbeatable and she really lit up a room. My mother and father adored her and many nights we would warm left overs from dinner after working 3/11 and talk and laugh till wee hours of the morning. We were there for each other in need to celebrate or comfort one another . She was the dearest and best friend anyone could ask for. I truly lost my best friend. May you be at peace and keep an eye on me down here. Love you with all my heart but I realize God knew best to come and comfort you. Joan Brown RN BSN
