Kevin James McFarland

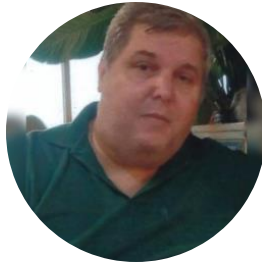

JAN 26, 1962 - MAR 3, 2026

Kevin James McFarland, age 64, lifelong resident of Jefferson Hills, passed away in the comfort of his home on Tuesday, March 3, 2026, surrounded by the love of his family. Born on January 26, 1962, in McKeesport, Kevin was the son of the late James "Jim" and Garnet (Peters) McFarland. He graduated from Thomas Jefferson High School class of 1980.

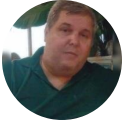

Kevin is survived by his loving wife of 42 years, Michele (Meier) McFarland; and his two beloved children, Katherine Ann McFarland and James Franklin McFarland.

From a young age Kevin was taught the importance of faith, family, loyalty, and duty. Themes he carried throughout his life. He was involved in various aspects of politics, from helping on campaigns, serving as a staffer, and even holding office himself as a Jefferson councilman (2 years of which as president). He followed through with his duty to public service. Through the highs and lows and all the unseen costs he did his best to do what was right for the people around him.

Kevin fell in love at the only New Years party he ever attended. Kevin and Michele were married on November 5, 1983, at the Pine Run Church, marking the beginning of a beautiful partnership that flourished in Jefferson Hills, where they made their home and raised their family.

An avid reader, Kevin had a thirst for knowledge. He was a history enthusiast, often captivating others with his rich storytelling and remarkable recall of historical events. His passion for understanding people and their experiences helped him connect deeply with others, enhancing his ability to assist and uplift those around him.

Above all, Kevin treasured the moments he spent with his family, continually striving to provide them with love, guidance, and support. He was a true people person, always advocating for the well-being of others and aspiring for the best outcomes in their lives.

Michele, James and Katie you are in our prayers during this time of grief and bereavement. May God's promise that Kevin is with our Lord and has no pain or suffering anymore bring you comfort as you mourn your loss. 🙏❤️ Kevin loved family, friends and he had the most wonderful stories that he told about them. No matter how many times he told the same stories you couldn't help but laugh at the way he told them. He loved to make people laugh. Kevin also loved family gatherings. He especially loved the McFarland family picnics at Jefferson Park. He would work tirelessly helping set up, and then he made sure he spent time with each and every one that came. He truly enjoyed talking to people. He was one of a kind. My fondest memory was when we drove my car through the Colonial drive-in like we were on the Dukes of Hazard. We laughed like crazy jumping that green Pontiac LeMons over the ramps. One of my deepest regrets is that I never got to see Kevin play soccer. I've heard that he was very good. We will miss you very much Kevin. Until we meet again. We love you all and you are always in our prayers. Harry Jay and Wendy Breitinger
